VEGAN-PURE™ F2C Nutrition Vegan-Pure™ is a great choice of protein powder for those seeking, vegan, non-GMO, lactose-free, dairy-free gluten-free and soy-free high quality complete protein. Vegan-Pure™ is a clean, surprisingly great-tasting protein source that has been precisely formulated to provide a superb source of readily available amino acids. Questioning the Ethics & Science of a Pure Vegan Diet How pure must a diet or lifestyle be to qualify as vegetarian or, for that matter, vegan? How about a whole food, plant-based diet? This question of so-called purity continues to hover over many discussions of these practices.
